Local Women's Fraternity

REQUIREMENTS

You must have a 2.5 or higher GPA to join

You must live in the house for at least one year.

HISTORY

In September 1978, the White Roses were founded as a little sister organization of the Michigan Tech Chapter of Sigma Tau Gamma National Fraternity.

Ten years later Sigma Tau Gamma voted to dissolve all little sister organizations affiliated with the Fraternity. The White Roses of Michigan Tech chose to continue their sisterhood by forming their own local women's fraternity.

Phi Delta Chi was founded on March 6, 1989 by 20 outstanding women. We are currently the youngest women's fraternity on campus.

PHILANTHROPY

We volunteer within the local community.

Every fall we host a Spaghetti Dinner Fundraiser for a charity of our choice.

We participate in Make a Difference Day every year.

ACADEMICS

Most improved Sorority GPA
Fall 2012 and Spring 2013

BENEFITS

We create our own budget so every member has a say in where her money is being spent.

We have control of our Constitution and change it when we feel that it needs revision.

SISTERHOOD!
